

Bob has been serving on the FQHA Board of Directors for more than 20 years. He is a past President and Vice President of FQHA. He also has been serving as a National Director for AQHA representing Florida and on the AQHA Public Policy Committee for about 9 years. Additionally, Bob sits on the Farm Credit of Florida Board of Directors and is the current Vice Chairman of that Board. Bob started his business Agricultural Land Services, Inc. in 1980, which is a grassing contractor that provides sodding, seeding and mulching, and hydroseeding to various construction and roadway projects around South Florida. He is also involved in operations at his family's ranching and cattle operation, 4L Land and Cattle, LLC.

Bob has successfully shown quarter horses for over 50 years in western, roping, and performance halter events. He is a multiple AQHA World Champion in Performance Halter and Reserve World Champion in Heading. Bob's family also has deep roots in showing quarter horses. His wife, Jan, showed in showmanship, trail, and halter. She was Reserve World Champion in Performance Halter at the AQHA World Show. His daughter, Sandra, showed successfully in AQHA English, ranch riding, and halter events winning AQHA, AQHYA, & NSBA World Champions and National Honor Roll titles. Finally, his son Bobby won AQHYA World & Reserve World Champions in roping events as well as National Honor Roll titles. Bob believes that showing quarter horses has had many positive impacts on his family including developing strong relationships within the family, establishing a solid work ethic, and good moral character.
