### President's Message

Dear Members and Friends

I would like to thank the many Board and Committee Members that have volunteered their time and efforts to make our Association the success it is today. Though Board and Committee Members change through the years, one constant is that they all welcome recommendations, new ideas and opportunities to make our shows even better.

On behalf of this year's Board Members, I am excited to share that both the Gold Coast and Gulf Coast Horse Shows are moving to the World Equestrian Center (WEC), located in Ocala, approximately an hour and a half north of the Tampa Fairgrounds.

Currently, WEC has 20 well-groomed riding rings, five of which are indoors. It has an abundance of climate-controlled stalls and the grounds and facilities are meticulously maintained. It also has hotels and restaurants and after a long day showing, everyone will likely make their way to the Yellow Pony Pub for a relaxing evening with friends. For more information on WEC, visit [www.worldequestriancenter.com](http://www.worldequestriancenter.com).

For everyone that attended the end of year awards ceremony at WEC, thank you for helping make it such a

memorable evening. If you were not able to attend, we hope you make it next year. In the meantime, you can see photos on the FQHA Facebook page.

On a somber note, it is with great sadness that I share that we lost two long-time members this year. First, with the passing of Meredith "Peg" Edmondson in January and Chester Prince in May. I can't remember a time when I went to a show and didn't get to visit with each. Their presence will be missed, but they will not be forgotten. Please join me in offering deepest condolences to both Melissa and Anne and provide any support possible as they navigate the new season of their lives.

Sincerely,

Tom Scott  
FQHA President  
AQHA Director at Large
